02. ■ Colors

Colors

Sea Blue, the primary UI color, evokes a sense of calm and trust. It's soothing yet engaging, professional but not sterile, vibrant without being overwhelming.

Marine Blue, a darker shade of the primary Sea Blue, serves as a complementary color that adds depth and richness to the design, enhancing the visual hierarchy and providing a balanced, cohesive look.

Fire Red accents inject energy and warmth. this combination creates a balanced and dynamic visual experience.

Abyssal Black ensures readability and sophistication with its deep, rich tone. It provides excellent contrast and clarity, exuding elegance and authority.
